Chicago Veterinary Medical Association

The Production Medicine Club thanks the Illinois Pork Producers Association, the Pork Checkoff, and Prairie Farms for support of the food booth.

To Prevent the Spread of Disease...

To ensure the health and safety of Illinois animals and to comply with hospital policy, we ask visitors who have been outside the United States within the past two weeks to stop at the welcome tent before entering the Small or Large Animal Clinic.

Students will assess whether you may pose a risk of spreading a foreign animal disease.

In addition, please comply with the signs indicating areas of animal contact where food is prohibited. **All guests must sanitize their hands immediately after any animal contact.**

MARK YOUR
CALENDAR FOR THE
NEXT VET MED OPEN HOUSE:

OCTOBER 1, 2017

University of Illinois
College of Veterinary Medicine
2001 South Lincoln Avenue, Urbana, IL 61802
