PERSONAL STATEMENT

Your statement should include:

1. A summary of your previous research experience
2. A summary of your research interests for your PhD program
3. The name and departmental affiliation for 3 potential research mentors
(Note that your PhD mentor can be located in any campus department)
4. A description of your career plans and your ideal employment
5. Other information relevant to your VMSP application

Please use no more than approximately 2000 words in your personal statement.

A Word or PDF file containing your resume/CV may be attached to the email.
