COLLEGE OF VETERINARY MEDICINE

Dear Veterinary Partner,

Welcome to the Veterinary Teaching Hospital's Referring Veterinarian Portal.

We are pleased to provide you with access to portions of your patients' electronic medical record.

The portal will provide you access to release reports, imaging reports, laboratory reports, and prescription information for patients where the client has identified you as their referring veterinarian.

**It is important to note that some of these reports may be in DRAFT form (noted as such), so may not have the most complete, accurate information until they are finalized.

To access the portal, please visit: <https://vetmed.illinois.edu/VetPortal/>

To request access or for assistance, please email: VTHrVetportal@vetmed.illinois.edu

Enter your Clinic ID and Password. Once logged in, please change your initial password.

To change your password, click on the Update Profile button and enter your new password. You may also update your email address.

To view any patient of yours currently at the hospital, click on "My Cases-Open Cases".

Patients that have visited in the past will be accessible by clicking on "My Cases- Advanced Search".

To see all patients from a specified date range you may click and change the start admit date and end admit date. Or, search by Owner Name or Patient Name and click submit.
