

Illinois Student American Veterinary Medical Association Chapter

Become an Illinois SAVMA (IChapter) member!

What is IChapter?

IChapter is our school's student chapter of the AVMA. Each veterinary school has their own student chapter that functions under the Student AVMA (SAVMA), which consists of an Executive Board and a House of Delegates (HOD). The formation of a national organization of veterinary students has enabled what were once isolated student chapters to function effectively as a single unit on the national scene. The Student AVMA coordinates student chapter functions, promotes the exchange of ideas and information among students, and represents its members in matters that concern them, both as students and as future veterinarians.

I want to be a lifetime IChapter member (\$150) – covers 4 years of membership dues*

*If you choose to be a four-year member, select this option and send your check (**for dues, journal subscriptions and the 1st year package**) to IChapter and your information will be entered for you.

I want to be an IChapter member on a yearly basis (\$50 year – YOU Pay Online)**
