

Meet Denver Holt

Champion of Owls

For more than 35 years Denver Holt has studied owl species in Alaska and Montana. Don't miss this awe-inspiring presentation on owl ecology, featuring his experiences, breath-taking images, and realistic owl calls.

Tuesday, March 28th, 7 p.m.

**College of Veterinary Medicine
Large Animal Clinic Auditorium
2001 South Lincoln Avenue**

Free Admission

Bid on a chance to spend a weekend in the field with Denver at the Owl Research Institute in Montana
