

3M™ Littmann® Stethoscopes

- The 3M™ Littmann® Stethoscope representatives have agreed to come to our college to share with you an incredible opportunity regarding your stethoscope purchases! They will be here on Tuesday, August 18, and Wednesday, August 19 from 1 p.m. to 5 p.m. in Room 2271 J in the Basic Sciences Building, and will have a wide variety and a number of various stethoscopes to choose from.
- Representatives will be available all day to answer questions and help you make the right selection from a variety of styles and colors ranging from the basic stethoscope at \$75 to the top of the line style for around \$250. There will be no shipping charges applied.
- In addition, they have graciously offered to give each student who purchases a 3M™ Littmann® Stethoscope a free parts kit for your stethoscope which is valued at \$20.00. Also with your purchase, you will be given free access to the 3M™ Littmann® Learning Institute app. This app will allow you to practice learning and also help you develop your diagnostic skills by listening to authentic heart and lung sounds. They are offering this to you FREE as a thank you for choosing 3M™ Littmann® as your choice of stethoscopes.
