

Dear UofI,

I heard about Bear and I was very upset. I wanted to help by donating money. Please take this donation and help Bear. I love dogs so much and I want to help every dog in need but that's really hard. I didn't have very much money so some of this might be my parent's money. If he's not there anymore please send this to where he is. Thank you so much!

Your 10 year old dog lover,
