Online Oct. 4 thru Dec. 31 at
go.illinois.edu/VetMedOH

Join us online as we bust some myths about animals you thought you knew.

Along the way, you might learn some surprising things about what veterinarians do.

Got questions about becoming—or being—a veterinary student at Illinois? Ask the experts LIVE online on **Sunday, Oct. 4, 2 pm CDT**. We'll have current vet students and admissions staff on Facebook Live to respond to questions submitted.
