

The Veterinary Medicine Research Farm is an eighty-acre property on South Race Street, two miles from the college, with extensive facilities for research and teaching involving agricultural animals. For information about the farm, please contact the Faculty Manager (Dr. Denny French; [ddfrench@illinois.edu](mailto:ddfrench@illinois.edu)) or Farm Manager (Dennis Birkey; [d-birkey@illinois.edu](mailto:d-birkey@illinois.edu)).
